

Farm Registration

Farm name _____

Physical address _____

Mailing address _____

Contact person _____

Phone _____

Email _____

Website _____

Facebook address (if applicable) _____

Twitter handle (if applicable) _____

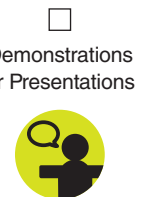

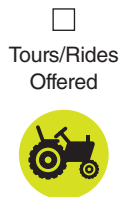

On the back of this form and in 100 words or less, please provide a description of your farm and the products and activities you will be offering for the day. This information will be printed in the Family Farm Day Guide. Remember to keep it upbeat and inviting. Convince yourself to visit your own farm. Offer a price incentive or prize, if appropriate. Visitors will have limited time.

Examples of Farm Descriptions:

Warm & Woolly is a small family-owned alpaca farm specializing in the production of natural yarn from alpaca fiber. The owner utilizes the wool from her own herd of alpacas to create top quality yarn and finished products like purses, scarves and hats. You will have the opportunity to see recently shorn alpacas and learn first hand what it takes to produce and process alpaca fiber. Visitors will have a chance to pet the alpacas as well as receive a sample of their fiber.

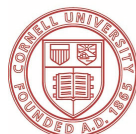

Hillside Farm is a family farm situated in the southern hills of the county. We grow vegetables and raise laying hens for wholesale and farmers markets. Come see our wide range of vegetable crops, high tunnel, mobile pastured chickens, "antique" tractor, and more. We will have open fields to stroll around, garden tours on the hour, fresh vegetables and eggs available at our farm stand. We're looking forward to talking to visitors about all things gardening!

Please check the box next to each icon that applies:

One farm photo is REQUIRED. Minimum size: 3 inches wide by 2 inches high. Resolution: 300 ppi. RGB and CMYK accepted. Formats: tif, jpg, pdf. Please email your photo to: Cathleen@GrindstonePress.com with "FFD Photo" in the subject line.

Please note that all farm participants will be asked to provide Cornell Cooperative Extension proof of general liability insurance covering their respective operations for a minimum of \$1,000,000 for activities pertaining to Family Farm Day.
