

ENERGY INFRASTRUCTURE & ECONOMY SUMMIT

The Otesaga Resort Hotel, Cooperstown, NY
Thursday, January 31, 2019

8:30am, Registration • 9am-6pm, Summit
12pm, Lunch Buffet
4:45pm-6pm, Networking Reception
\$60.00 per person

Why Attend?

The Energy Infrastructure and Economy Summit is the region's must-attend energy event to become informed and help shape an energy roadmap. This unique event connects policy with practice and addresses the industry's current challenges and future opportunities and how we can collectively find common ground to make common sense decisions about our energy infrastructure and economy.

Join us in exploring the nexus of energy, climate change, and the region's economy with area industry leaders and policymakers from across New York. This summit will provide leadership for an unmatched forum to provide opportunities for learning, networking, and business development in the region.

Company Name: _____
