PPCS is in no way affiliated or sponsored by the US DOT or NYS DOT.

Are you up to date with the Federal and State testing requirements for **DOT Urine Drug and Breath Alcohol?**

Did you know, that as an employer or supervisor you are responsible for understanding the rules and regulations regarding Drug and Alcohol Testing for your employees? But...regulations are always changing, so how do you keep up?

That's where we can help. We can give you the tools to keep your program compliant. Join us for an educational 2-part session for local employers and learn the latest information and regulations on Urine Drug Screening and Breath Alcohol Testing, and Reasonable Suspicion Training for Supervisors. Sign up today!

This training will satisfy the annual training requirements for DOT members.

PPCS is a local business in Oneonta with professional, knowledgeable and trained staff in DOT Rule 49 CFR Part 40.

Space is limited and requires registration.
