FRIENDS AND FAMILIES!

Get to know local farmers and catch all the buzz about their food and spirits during the 5th Annual Schoharie-Otsego Family Farm Day (FFD), Saturday, August 12, 2017. Visit as many participating farms amidst our scenic landscapes as your schedule allows – free! You'll have a fabulous day.

Sample bountiful, farm-fresh products. Enjoy farm demonstrations, activities, tours, and more. Bring a cooler or insulated grocery bag to preserve your farm-fresh products purchased during the day. FFD insulated bags will be on hand while supplies last.

Plan your trip in advance or virtually on the road. Check out our Farm Guide in print, or download from **www.FamilyFarmDay.org**. Find printed guides at participating farms, farmers' markets, restaurants, convenience stores, and visitor centers in Schoharie and Otsego Counties, and select locations in the Capital District and surrounding counties.
