Come to the Garden Party!

Celebrate 50 years of environmental stewardship by becoming a sponsor of our special 50th anniversary garden party! Since our humble beginnings with a mission to protect Otsego County's air, land, water and rural heritage we have grown into a multi-faceted natural

You can be a sponsor!

resource conservation organization, supporting programs over the years from lake management to solid waste improvements and everything in between. We have

hosted some of the largest environmental events in the county, and have worked through citizen coalitions to help protect Otsego County from resource exploitation. We help *all* citizens of the county to achieve their goals to protect the place we all call home.
