WEBINAR: COVID-19

Covid-19 virus is generating significant concern about impacts on the workplace. Assuring employees that you are staying on top of the evolving developments is critical. Business continuity plans are being tested to the limits. Keeping your customers and your employees informed regarding your plans can help ease the panic.

Join HH&K Partner Dawn Lanouette for a timely webinar covering the current questions and concerns employers need to be prepared for.

Join us on Thursday, March 19, 2020

Time: 12:00 pm
